

EURO ASIA SHIPPING AND MARINE SERVICES PTE LTD

Euro Asia Shipping and Marine Services Pte Ltd., Mission, Vision and Policy statements.

Mission

The Company's mission is to carry out all operations with **zero ship accidents, no human injury and no environmental damage.**

Vision

The company's vision is **to continuously improve the safety, health, environment and quality performance and to be an industry top quartile manager of asphalt tankers.**

Safety, Environmental Protection and Quality Policy

It is the company's policy to preserve personnel health, ensure ship's safety, protect the marine environment whilst meeting the requirements, needs and expectations of all our customers.

The Company shall establish a structured and documented Safety Management System to implement this policy, through compliance with all environmental legislation, regulations and codes of practice relevant to the maritime and shipping industry in which it operates.

The Safety Management System aims to ensure safety at sea, prevention of human injury or loss of life, avoidance of damage to the environment, and to property, whilst achieving customer satisfaction through continual improvement and performance.

Tony Moran, Managing Director
